

## NN - 9x 10mm ø

|                          |                        |
|--------------------------|------------------------|
| Brand                    | NN                     |
| Machine no               | BR461                  |
| Type                     | 9x 10mm ø              |
| drilling tools           |                        |
| Multi-spindle chuck      |                        |
| Pneumatic                |                        |
| Capacity                 | 9 x 10mm               |
| Drill diameter           | 10 mm ø                |
| Stroke drilling depth    | 150 mm                 |
| Number of drilling units | 9                      |
| Table length             | 2 mm                   |
| Machine size             | 2.300 x 800 x 1.800 mm |
