

## Tauring - DS60 HV Plus

|                            |                               |
|----------------------------|-------------------------------|
| Brand                      | Tauring                       |
| Machine no                 | PR119                         |
| Type                       | DS60 HV Plus                  |
| Year of make               | 2011                          |
| Output shaft diameter      | 50 mm ø                       |
| Round                      | 50 x 500 / 55 x 900 mm ø      |
| Square                     | 40x40 x 600 / 50x50 x 1000 mm |
| Strip                      | 75x30 x 250 / 120x30 x 300 mm |
| Engine power               | 4 kW                          |
| Machine afmetingen (LxBxH) | 1.500 x 700 x 1.500 mm        |
| Machinegewicht             | 515 kg                        |

The profile bending machine is equipped with three driven rolls, and the pre-bending is performed hydraulically.

The upper roll is fitted with a digital readout. Refer to the capacity table for further specifications.
